- face.
 And your longer purse behind:
 I'm a bright young girl, and I know my rand.
 And I think I know my mind.
 I'llike to is ugh, and to desire and siag.
 And to bear my parenis deer;
 By they wouldn't miss me here.
 But they wouldn't miss me here.
- Yes I am my mother's heart's delight, And my faiher's right hand lenve, could leave up, home so we and bright found leave up, home so we and bright would buy myself a gown of all the las grand dull home to pine. I so grand dull home to pine. And the whole fair world is name?

Ah, don't come talking of the curred of life.

My head is gold, not gray;
And if we deserve to be no man's wife—
At least not just to day.

At life and lines that the company of the company

AH! THE PITY OF IT. Many years ago I made a stay, ex-leading over a period of numbs, at a small, obscure watering place on the southeast coast. I had just linished my course as a student at tary's Hosyitaf, and, under the combined strain of se-ser and not were pleasant work in the ards and dissecting room, and of a charge and estimating examination, my charge of the state of the state of the darks and dissecting to the state of the charge and estimating examination. my control of the state of the state of the darks and dissecting to the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of the state of the state of the state of the darks and the state of th
